Costing your trip

When we create the group invoice you will only be charged for what you use. Any unused lift tickets must be returned to the office to ensure that you are not over charged. Invoicing is at 2:00 pm on the day of your visit. The group coordinator will have the opportunity to review the invoice and settle charges. Below you will find the cost for each member of the group depending on their needs. This should give an accurate cost of your trip.
